**Subject: Self-Slot Selection for examinations by the candidates -  
CHSLE - 2025**

1. The Tier 1 of Combined Higher Secondary Level Exam (CHSLE 2025) will start on 12th November 2025. Progressing further in its candidate friendly endeavour and mission of facilitating them, the commission has decided to extend the facility of choosing the examination city, date and shift as per their choice.
2. For availing this facility, the candidates will have to login into the candidate portal and exercise their choice for city (out of 3 choices submitted at the time of application), date and shift. For this purpose, the candidate portal will be opened from 22nd October till 28th October 2025. After login into the portal, based on the 3 cities for which they had exercised option at the time of application, they will be shown the availability of slots on various dates and shifts at those cities. Candidates can choose on any available date a specific shift at a city as per their choice. **It is to be noted that for the candidates who have opted to take examination in regional languages, the choices of dates and shifts may be limited.**
3. In case, while exercising the options, if all the slots in the 3 cities opted earlier have already been filled up, the candidate will further be given a list of optional cities to choose any one where slots are available and on the best effort basis, the commission will slot the candidate for that city, without any specific choice for date and shift.
4. While utilising this facility, the candidates are requested to exercise their option to choose examination date, city and shift carefully as any request for any change will not be entertained as the allotment is being made on the basis of choices exercised by the candidates themselves.
5. In respect of those candidates, who do not exercise the option of date, city and shift during the prescribed window for the CHSLE,

i.e. from 22nd October to 28th October, it is hereby informed that it will be inferred by the Commission that such candidates do not intend to appear for the examination.

6. Candidates may also note that, to guide them with detailed option exercise process, a self-explanatory document with necessary screenshots will be made available at the portal.
